

## Maths

### Place Value to 50

- Finding one/one less.
- Ordering numbers.
- Solve addition and subtraction problems.
  - Solve missing number problems.

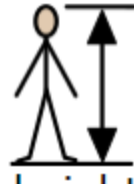

### Length and height

- Compare lengths and heights
- Measure length using objects
- Measure length in centimetres

### Mass and Volume

- Measure volume
- Compare capacity
- Compare volume

## Science

### Sustainability, seasons and planting

In Science we will be investigating why it is important to care for our planet and how we can do so. We will also be observing the change in season to spring and identifying the changes around us. We will also be planting and observing the growth of our plants over the term.

## English

We will be looking at the story 'Wombat goes walkabout' by Michael Morpurgo. We will also be looking at writing a travel diary focusing on the structure and shape of the text. We will be looking at punctuation such as question marks and exclamation marks.

## Phonics

We will continue to learn new sounds throughout the term and apply these during our storybook lessons. In these lessons we will build fluency and learn how to read with expression whilst answering questions about what we have read.

G'day Mate  
Year 1  
Term 4

## Geography

In Geography we will be understanding geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country, specifically Australia.

We will be learning about the 7 continents and 5 oceans.

We will also be using world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied in year 1 so far.

## PE

In our PE lesson we will be focusing on team games and circuit training:

- To develop balance and co-ordination when moving round or over an obstacle.
- To master basic movements and apply these in a range of activities.
- To move over or round an obstacle with control.

## Learn Together

### Healthy Me

We will be learning how to be healthy, how to make healthy choices, how to keep ourselves clean and healthy, medicine safety and road safety.

We will also be continuing our learning around the belief systems of atheism, agnosticism and humanism.

## Computing

In our computing lessons, we will be learning about data and information and how to group that data.

## Design & Technology

In our D&T lessons, we will be learning about Cooking and Nutrition. We will:

- Understand where food comes from.
- Experience common fruit and vegetables, undertaking sensory activities i.e. appearance taste and smell.
- Experience cutting soft fruit and vegetables using appropriate utensils.
- Use the basic principles of a healthy and varied diet to prepare dishes.

## Music

We will be playing tuned and untuned instruments musically this term to create, select and combine sounds.

## Spanish

### Anita and bear

We will follow the teddy bear and his friend Anita on their day out together and will learn the vocabulary for 5 key elements from the story in the foreign language.
